Therefore, in addition to vaccination against influenza, COVID-19 and shingles, you can visit the [clicsanté.ca](https://clicsante.ca) portal to make an appointment for the following services:

- General vaccination (measles, chickenpox, tetanus, etc.)
- Childhood vaccination (0 to 5 years old)
- Vaccination against pertussis for pregnant women
- Vaccination before travelling

You can also make an appointment by calling 1 844 407-0967 from Monday to Friday between 8:30 a.m. and 4:30 p.m.

The purpose of this transition to Clic Santé is to improve access and facilitate appointment booking. Moreover, this enables you to receive a reminder of the appointment by text message or email 48 hours in advance.

In closing, the Direction de santé publique de la Côte-Nord wants to reiterate that vaccination is the best way to protect yourself and others against certain diseases. Moreover, vaccines should be administered at the age prescribed in the regular immunization schedule in Québec.
