

BUREAU OF HUMAN RESPECT

Respect is the backbone of our commitment.

With the adoption of the Act to prevent and fight psychological harassment and sexual violence in the workplace, the CISSS de la Côte-Nord recognizes the importance of ensuring a healthy, respectful workplace.

ACT

Prevent and put an end to any form of psychological harassment and sexual violence.

PROMOTE

Healthy workplaces characterized by civility and respect.

INFORM

Raise awareness and equip the staff with tools to better understand, prevent and take action.

PROVIDE

Neutral, confidential services accessible to everyone contributing to the mission of the CISSS de la Côte-Nord.

SUPPORT

Listen, accompany and intervene with personalized approach.

RECOMMEND

Actions and practices to promote the maintenance or restoration of a healthy workplace marked by civility and respect.
