

TEMPORARY CLOSURE OF THE CLSC DE SCHEFFERVILLE

Baie-Comeau, September 26, 2023 – The Centre intégré de santé et de services sociaux (CISSS) de la Côte-Nord informs the population of the temporary closure of the CLSC de Schefferville from September 29th to October 2nd inclusive. Every effort is being made to find nursing staff to restore service.

For urgent health problems, the population is invited to go to the Matimekush-Lac John clinic or to the CLSC Naskapi in Kawawachikamach. You can also contact emergency services (paramedics, police, firefighters) by calling 1 833 724-0171.

Here are your options if you have a non-urgent health problem:

- Info-Santé/Info-Social 811: Telephone assessment by a nurse or social worker to receive advice or be directed to the most appropriate service to meet your need.
- Make an appointment with your family physician.
- Primary care access point (GAP): For users without a family physician, call 811, option 3.

The CISSS de la Côte-Nord wants to thank managers and health care teams of the Matimekush-Lac John clinic and CLSC Naskapi, who have accepted to support the CISSS de la Côte-Nord in maintaining the service offering to the population.

The CISSS de la Côte-Nord also thanks the communities of Matimekush-Lac John and Kawawachikamach, as well as the population, for their cooperation.
